# *Fall Weekend - Frisbee Golf*

Get your frisbees ready, it's the 1979 Fall Frisbee Golf Tournament. Charging only \$4.00 to eat and drink and \$3.00 just to drink, the IBA sponsored an event the whole campus participated in.

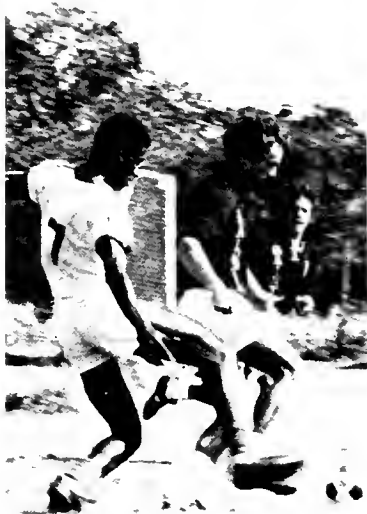

Tee-off was at noon on the steps of P.G. From there frisbees flew! They flew on roofs, over trees, in ponds and everywhere else imaginable! For a select few (and it was only a few) the frisbees avoided these dreaded traps and they could only watch as fellow students retrieved valuable frisbees. The day ended just in time for a quick bite to eat and a shower before the Sadie Hawkins dance that night. Overall, it was an exciting day with fun, food, and frolic for everyone.

# Soccer

The Men's Soccer team ended with a disappointing 4-8-1 record. Mike Sweeney returned for a second year of coaching, giving both his time and valuable support to the team. Junior Craig Hawkes was awarded most valuable player award while senior Dave Allen received the coaches award. With experienced players returning, the Saints look for a better fall season.

# Volleyball

The 1979 Women's Volleyball squad had a very successful season. They ended their season with a 19-8 record and ranked third in small colleges in the state. Co-captains Patty Jones and Nancy Dudiak led the team throughout the year.

# Christmas

The Christmas caroling party and contest, sponsored by Dorchester Dorm Council, was a spirit filled event. Third center P.G. proved to be the best overall vocalists but all the same, everyone walked away winners.

"A Christmas Carol" was produced, directed and presented by the SMC student body. The play, which sent the students into a festive spirit, was well attended. It was a relaxing and pleasant evening for everyone.

# *Men's Basketball*

With a record of 10 wins and 13 losses it would seem the Saints had an unsuccessful season. Winning, however, is not only displayed through points but effort as well. Tom Maleski earned his way into the 1,000 point club while the other members played quality ball. To the parents and student body our Saints had a successful season.

# Women's Basketball

Tom Maleski was not the only Saint to earn 1,000 points. Terry Harford also earned this honor. She was the first woman in the history of Saint Mary's to accumulate 1,000 points throughout her college career. (Congratulations Terry!) Although fan participation was lacking, the Saints pulled through with a 9-11-0 record. The team spirit and determination guided the girls throughout their season.

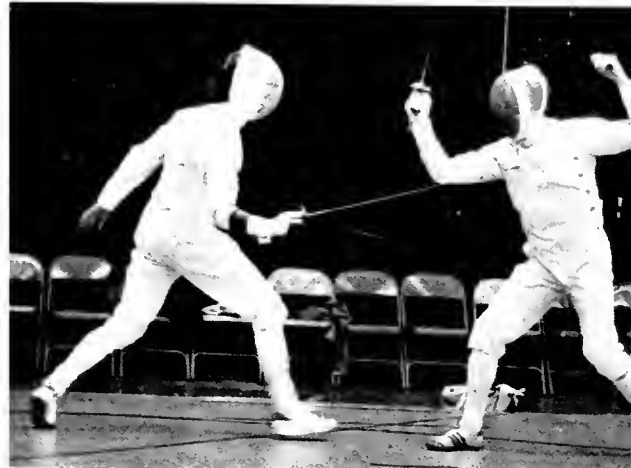

# Cheerleaders

# *Fencing*

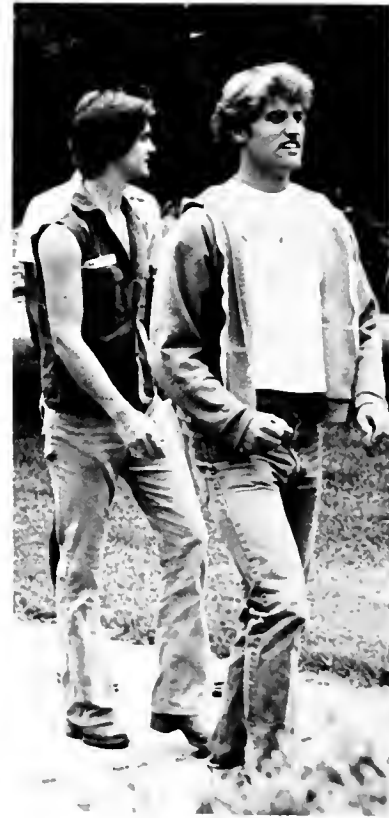

# *Monte Carlo Night*

One of the highlights of Spring Semester was the annual Monte Carlo Night. The entire student body participated as waitresses, cooks, dealers, gamblers or just spectators. IRHC sponsored a gamblers paradise with music, food, prizes and fun for everyone. Despite the blizzard that hit St. Mary's, the student body wholeheartedly supported this event and enabled IRHC to collect over \$1,100 for charity. This was a night that displayed not only school enthusiasm but a concern for others.

Maryland Day is . . . Speeches, Exhibits, Square Dancing, Parades, Jousting, Music, the Dove, good food, and a fun time for all!

# *Spring Fair Weekend*

Spring Fair Weekend proved to be fun filled and action packed for everyone. For those who liked a carnival atmosphere, balloons, games, magicians, and a blue grass band were offered as attractions. For the sports enthusiasts, lacrosse, baseball, and tennis were played on Saturday. The evening ended with a dance featuring Whiskey Hollow.

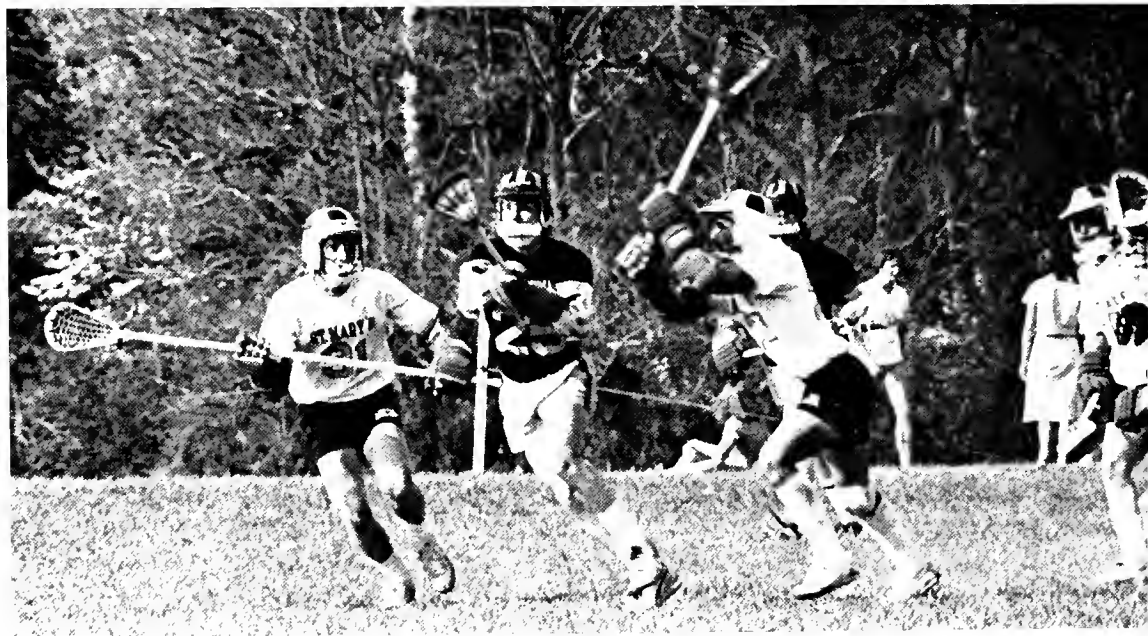

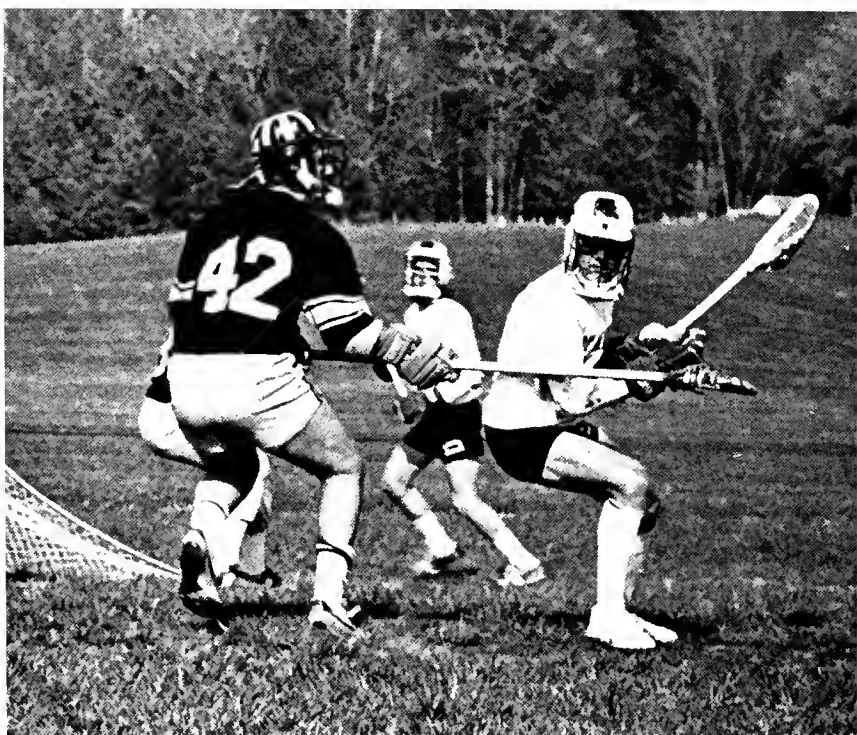

Still the fun was not over. Sunday featured the Frisbee Golf Mixed Doubles Tournament. For those not skilled in throwing a frisbee, the waterfront also offered entertainment. Windsurfers raced across the water creating a colorful and spectacular view. All in all, everyone had a fantastic weekend.

# Lacrosse

Desire, enthusiasm and a never say die spirit were the hallmarks of the 1979 - 80 Men's Lacrosse team. With the outstanding abilities of Michael Lord on offense and John Nocher as goalie, the Saints ended their season with a 7-5-0 record. The encouragement of both the crowd and coaches gave the team the motivation needed for a successful season. The Saints ended the season ranked eighth in the nation and narrowly missed the playoffs for the second year in a row. A controversial decision by the NCAA again kept St. Mary's out of post season play.

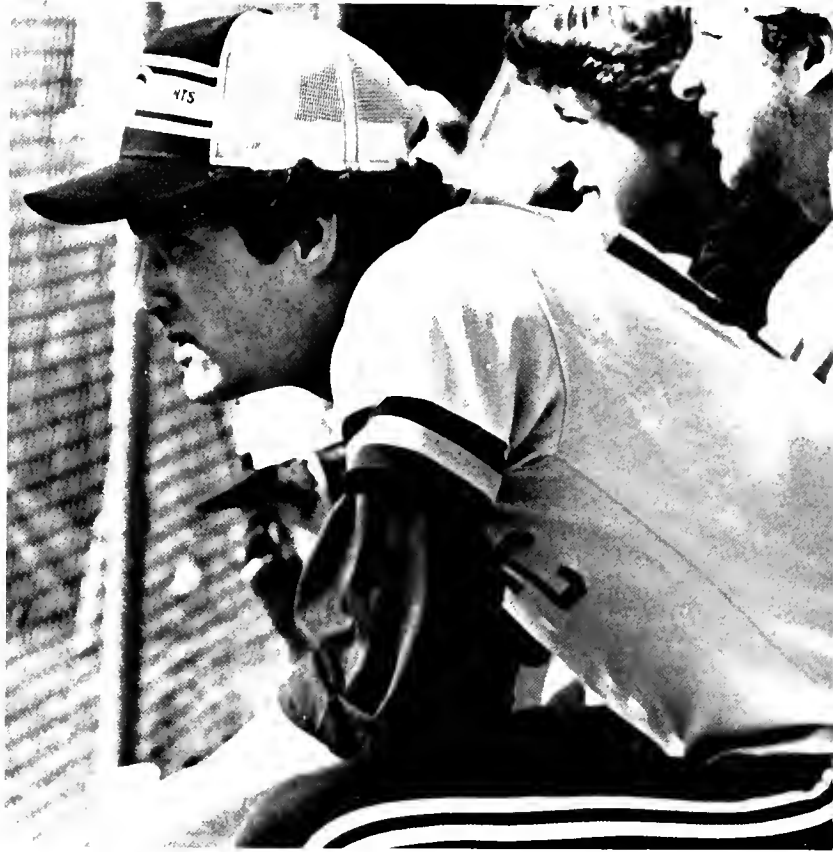

The Women's Lacrosse team began as a young, inexperienced team. Although they had a disappointing season of no wins and nine losses, this two year team learned strategies necessary for a winning team. With players returning for a third season, the lady Saints are anticipating a more successful year next Spring.

# Baseball

The Saint Mary's Baseball team worked hard this season. Although the record was not good, the team's spirit never died, thus providing a pleasant atmosphere for team members and fans alike. With a discouraging 2-14 record, the Saints can only hope for a winning season next year.

Friends we will remember you!

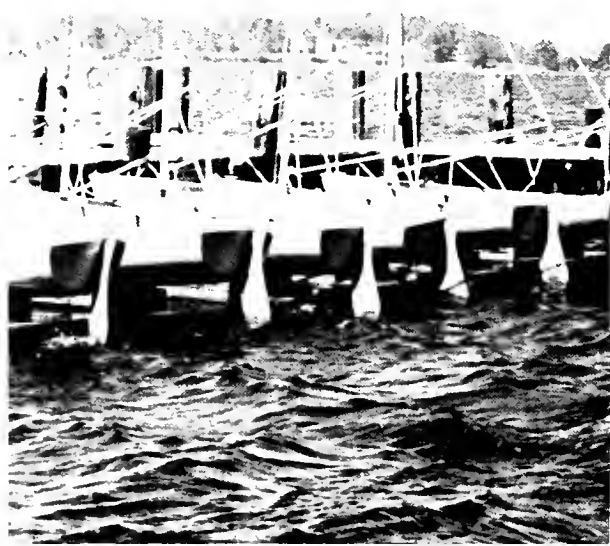

This June, Nurse Ethel Chance is retiring after 32 years of service to St. Mary's College. "Chancie," as she is often called, arrived at St. Mary's College in 1948, when the school was a junior college for 67 young ladies. During her years at the college, Chancie has been manager of the business office, then nurse, then planner and supervisor of the present health services. After June, Chancie plans to retire to her home in Centreville. Nurse Ethel Chance will be missed by everyone at the college as her dedication, friendliness and loyalty to St. Mary's College will not be easily replaced.
